**Subject: Modification in organizational action submitted on 31<sup>st</sup> March 2012**

Dear Sir,

With reference to organizational action notice served by AIGETOA-Punjab on 31 March 2012 and subsequent meeting held on 4 April 2012 under your kind leadership, the management has assured to resolve the things in time bound manner. But it is to regret that till date this association is waiting for the official record of Meeting. As per telephonic assurance from your side that record of meeting is not released due to administrative difficulties and will be released, once Sr. GM(Admn) join his duties after leave. Looking at positive side of the things, we make a modification in submitted organizational action, we hereby withdraw Lunch hour demonstration scheduled to be held on 16<sup>th</sup> April 2012. I hope to get record of meeting released well before next agitation activity i.e 20<sup>th</sup> April 2012 failing which we will be forced to further intensify the organizational action.

This association is quite hopeful for early resolutions of the issues from your great leadership and believe that management will surely carry on the positive atmosphere created and will further strengthen the mutual trust. This association is hopeful & will respond to the management's actions.

Thanks & Regards.
