Sub: Provision of leased accommodation to executives posted in Chandigarh.

All India Graduate Engineers Telecom Officers Association, Punjab, Chandigarh has taken up the issue for provision of leased accommodation in Chandigarh to their executives.

Chandigarh has become very important centre for technical activities as NoDal equipment of GSM for North Zone and CDR Data Centre of North Zone circles are working in Chandigarh. Besides this, Data Centre for Enterprise Business customers is also being installed in Chandigarh. In addition offices of DE(QA), DGM(Inspection Circle), GM(NTR), GM(ITPC), CE(Civil), CE(Elect.), Sr.Architect are also situated in Chandigarh. As a result, the number of graduate JTOs posted in Chandigarh is very large as compared to other cities. At present, there are 210 Graduate JTOs posted in Chandigarh, as per eligibility criteria for allotment of BSNL pool accommodation, JTOs are entitled for Type-III quarters. There are 179 Type-III quarters in Chandigarh all of which are occupied and there is a waiting list of 144.

Chandigarh is also one of the most expensive cities in the country with very high rentals. As a result, the officers/officials who are not allotted Govt. accommodation have to spend a considerable part of their salary on rentals.

In view of above, it is proposed, that the policy for Leased accommodation for BSNL Executives issued vide letter No.BSNL/ADMN/1 dated 10-10-2001 may be made applicable for Chandigarh also.
